WHAT DO I NEED TO PLAY SOCCER?

Every child with the exception of Kindersoccer and TOPS will need a uniform which includes a reversible jersey (red/royal), shorts and one pair of socks. The cost of the uniform kit is \$25 and order forms will be available at registration. If your child has played soccer in the last two years and can still wear their uniform, you do not have to purchase a new one.

Shin guards are required for U6 and up. These can be purchased at Wal-Mart or Hibbett. Soccer cleats are not required but they are recommended. They can not have the cleat on the center front. Baseball cleats are not acceptable.

Each child is expected to bring a soccer ball to every practice (U6 and up). Ball size is determined by the child's age:
U6/U8 – Size 3, U10/U12 – Size 4, U14 and up – Size 5

All practices and games will be played at Hamilton Park. Take Hwy. 58 and turn right at World Tower (formerly Upton's Cabinets) onto Golo Rd. Go approximately 1 mile and the fields are on the right. Practice dates and times will be up to each coach. Most team will practice 1 or 2 times per week.

Fall 2009

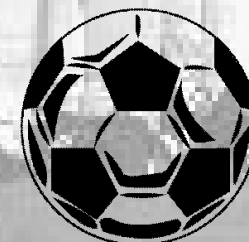

Hello Everyone!

Fall soccer season is just around the corner and GCSA is gearing up for another great season! We wanted to give you an update on all the exciting things we have planned for this season! In this newsletter, you'll find all you need to know about the programs we are offering for fall, registration, uniforms and anything else you need to know! Make a note that registration is Tuesday, August 18th at all Graves County and Mayfield Elementary Schools from 6:00 p.m.-8:00 p.m. Registration fees are staying the same again this season: \$35 for Kindersoccer, U6 and U8; and \$40 for U10 and up. Uniforms are \$25 each, which includes a reversible jersey, pair of shorts and pair of socks.

There has been a change this season in the team formation process. Instead of being placed according to schools or time of registration, players will be randomly placed on teams. We hope this will help us in selecting quality coaches for each team.

GCSA is continually striving to make soccer enjoyable for the kids. Soccer is a great way to make new friends while staying active in a sport they will love!
